

FIFTH CONTEMPORARY DRUG PROBLEMS CONFERENCE
Rethinking ‘Change’: New Theories, New Topics, New Questions, New Methods
4-6 September 2019
Monash University Prato Centre
Prato, Italy

LIST OF PRESENTATIONS: 12 JULY

Allaman	Allamani	Alcoholism and alcoholisms
Melissa	Allen	NOT down and out down under!!!
Aleksandra	Bartoszko	Shadow committees: Critical investigation of drug consumers’ involvement in Norwegian drug policy reform and changing concepts of representation
Jade	Boyd	Women’s challenges to conventional notions of illicit drug use at Canada’s first women-only supervised consumption site
Susan	Boyd	Problematizing the DSM-5 criteria for opioid use disorder and heroin-assisted treatment
Samuel	Brookfield	‘Dangerous territory’: A critical ethnography of methamphetamine recovery
Amy	Chandler	Changing responses to Neonatal Abstinence Syndrome
Tim	Corney	Using Freire’s critical pedagogy in an alcohol literacy program with university students: Health promotion as participation, empowerment and change
Reece	Cossar	Changing patterns of crime across the life course among people who inject drugs with histories of incarceration
Jakob	Demant	Digital drift between different cryptomarkets and social media drug markets: Advancing the embedded and embodied aspects of novel drug dealing
Simone	Dennis	Reorientations to responsibility: Alcohol industry representation, good citizenship and changing notions of intervention
Julia	Dickson-Gomez	A systems analysis of Milwaukee’s response to the opioid crisis
Duane	Duncan	Realising change in the gendering practices of Australian alcohol policy
Tristan	Duncan	Towards an alternative account of consumption room care
Mats	Ekendahl	Accounts of drug use in a prohibitionist context challenged by legalisation: Are some motives for cannabis use becoming more or less valid with changes in drugs discourse?
Liam	Engel	A positive drug story: Using positivist drug knowledge to combat prejudice
Adrian	Farrugia	A situation of constant change: Analysing take-home naloxone affordances as they emerge in Australia

Simon	Flacks	School discipline and the necropolitics of drug control
Renaë	Fomiatti	The politics of the 'threshold' in healthcare for men who inject performance and image-enhancing drugs: An analysis of health professional accounts of harm reduction practice
Vibeke Asmussen	Frank	'What works'? Young adults' perspectives on drug reducing interventions in coercive contexts
Asmin	Fransiska	Reshaping Indonesia's drug war policy on cannabis: From criminal to patients
Suzanne	Fraser	Is another relationship possible? Connoisseurship and the doctor-patient relationship for men who consume performance and image-enhancing drugs
Pekka	Hakkarainen	The decriminalisation debate in Finland
Shana	Harris	Cure, catalyst, rebirth, reset: Discourses of change in psychedelic-based drug treatment
Jennifer	Havens	Dramatic increases in reported methamphetamine use among consumers of prescription opioids in rural Kentucky
Maria	Herold	Drinking comfortably? Gender and affect among young Danish pre-partiers
Fay	Hodza	Quitting as the desired outcome in community drug intervention programs in South Africa: A sustainable strategy?
Lee	Hoffer	Modeling local drug epidemics through drug market dynamics: Using agent-based modeling to bridge ethnography and epidemiology
Esben	Houborg	Living with a drug scene: Resident experiences of the open drug scene in inner Vesterbro, Copenhagen
Geoffrey	Hunt	Alcohol intoxication, gender, sexual consent and sexual refusal
Aleksi	Hupli	Netnographic study of Youtube™ videos on psychedelic microdosing: An example of digital drug research
Marie	Jauffret-Roustide	The evolving controversy over drug consumption rooms: From discourses assessing public safety concerns to issues of coexistence in urban spaces
Mie Birk	Jensen	Rethinking sexual consent: Young women's narratives on sex and friendship in the context of heavy alcohol use
Meredith	Kayess	Re-framing change and the Sydney Medically Supervised Injecting Centre
Helen	Keane	Pharmacology, sociology and the history of drugs: The case of nicotine
Niki	Kiepek	Seeking legitimacy for non-problematizing understandings of substance use
Petteri	Koivula	The ontological politics of neuroscience-based media coverage of the opioid crisis: Locating agency
Lea Trier	Kroell	Change, yet no change: Students' experiences of unwanted subjective side-effects of non-medical prescription drug use in everyday life

Kari	Lancaster	Making change, performing promise: Critical analysis of target-setting in the hepatitis C elimination era
Toby	Lea	Psychedelic microdosing: A future treatment for mental health and substance use?
Lisa	Maher	Systematic review and metanalysis: Facilitator or barrier to change in drug policy?
Emmanuel	Maravanyika	A judicial war on drugs: An assessment of the impact of minimum sentencing on illicit drug offences in South Africa
Gulliver	McLean	#BeHeardNotHarmed: Re-imagining relations between young people and harm reduction
Julia	McQuoid	Purposeful play and empowering assemblages of non-tobacco use for young adults
Charity	Monareng	The myth of the infallible state: Societal problematisation of drugs and drug use and the relationship between framing discourses and social responses in South Africa
David	Moore	Retrieving gender in quantitative research on alcohol and violence
Leah	Moyle	Beyond 'chemsex': Rethinking sex on drugs in the pharmacosexual era
Dean	Murphy	'Let's be honest; it's a party drug': The meanings, identities and effects of HIV pre-exposure prophylaxis (PrEP)
Jonathan	Newman	Mobility and rooting, dissection and desire: Understanding developments in cannabis by listening to plants
Ana	Ning	Problematizing Canadian government discourses of change: Why does the opioid crisis remain unchanged?
Gemma	Nourse	Performance and image enhancing drugs as agents of 'change'? Reconceptualising drugs, masculinities and effects as co-emergent
Aileen	O'Gorman	Recovery dissonance: Negotiating recovery ambivalence in an abstinence environment
Jessica	Ohlrich	'Keeping people out of jail in regards to drugs is a collaborative effort': Public health and criminal justice collaboration in Milwaukee County Drug Treatment Courts
Katrin	Oliver	Finding the treasure: Everyday moments of becoming well in a semi-rural place
Bernie	Pauly	From contaminated to enabling spaces
Margit Anne	Petersen	Transformative work
Garrett	Prestage	Rethinking potential criminalization of amyl nitrite use among Australian gay and bisexual men
Eric	Ratliff	Of surrenderers, shootouts, and scalawags: An ethnography of emergent narrative (dis)ordering in the Philippine war on drugs
Tim	Rhodes	Making elimination: Modelling, targets and the end of hepatitis C
Inger	Robertson	Into the unknown: Treatment as a social arena for drug consumers' transition into a non-using life
Caroline	Robitaille	Networked psychostimulants: A web-based ethnography of an online discussion forum

Sara	Rolando	The relationship between drugs and crime from the perspective of young people in contact with criminal justice systems: A qualitative, cross-national research project
James	Rowe	'Turn and face the strange': Lessons drawn from the changing role of one drug in one life
Michael	Savic	Producing care and change through pauses, waiting and silences in online alcohol and other drug counselling encounters
Benjamin	Scher	Protection or interference? Police practices in relation to supervised consumption site users in Vancouver: An ethnographic study
Allison	Schlosser	'I'm just another junkie addict': White racial rescue and the politics of privilege in the US opioid 'crisis'
Sophia	Schroeder	Recontextualising risk: A critical discourse analysis of the changing contextualisation of drug use in defining 'risk' for gay and bisexual men
Marion	Selfridge	'Accidental intimacies': Reconsidering perceptions of police through their bodily encounters with youth who use drugs
Thomas Friis	Søgaard	Beyond the product: Dealers' use of customer service as sales techniques in Ubernised drug markets
Antoinette	Spector	Changes in uptake following the expansion of naloxone access laws: Perspectives of key informants in Wisconsin
Ashleigh	Stewart	Changes in the reporting of self-reported suicide attempts and self-harming following release from prison among men reporting histories of injecting drug use
Pekka	Sulkunen	Time is ripe for a paradigm change in alcohol epidemiology
Aysel	Sultan	Rethinking recovery, unfolding social and material practices
Lena	Theodoropoulou	Rethinking policy, imagining change: An exploration of the recovery assemblage
Rebecca	Tiger	The vibrant life of drugs
David	Tucker	Rethinking 'volition' in alcohol use: The role of cultural obligations on drinking
kylie	valentine	Real selves and true stories, or, still thinking about evidence and experience after all these years
Akseli	Virratvuori	Finnish ritualized consumption of cannabis as a rite of transition
Nicole	Vitellone	Rethinking problematisation and the problem of description in drugs research
Ian	Walmsley	Changing the body in prison: Self-detoxification and the emergent bodies of drug withdrawal
Anne	Whittaker	A site of change? Rethinking the role of the 'family' in English and Scottish drug policy
Hester	Wilson	A novel approach to supporting primary care to manage people who use tobacco, alcohol and other drugs?
Rafaela	Zorzanelli	The case of chronic clonazepam use in Rio de Janeiro through the voices of people who use the substance
