Mafalda Pardal – Supply of cannabis for medical use through cannabis social clubs: An analysis of Belgian practices
6.00 – 8.00	Welcome reception – Restaurant Wäiski, Hakaniemenranta 11, Helsinki (http://www.waiski.com/)			

DAY 2: THURSDAY 24 AUGUST

9.00 – 10.00	ROOM: SIRKUS KEYNOTE 2 ADAM WINSTOCK & MONICA BARRATT The Global Drug Survey: Participatory methods and the making of safer drug realities (Chair: TBA)			
10.00 – 10.30	Morning tea/coffee			
	ROOM: SIRKUS	ROOM: TIVOLI	ROOM: TARJA HALONEN	ROOM: KARL LINDAHL
10.30 – 12.30	Session – The Brain Disease Model of Addiction (BDMA) 1. Johan Edman – Concepts and ideas on addiction: A historical perspective on great mergers 2. Matilda Hellman – Popular promises of progress: The articulation of the BDMA in the media	Session – Mapping 1. Lucy Burns – Philosophy, epidemiology and drug monitoring: How and what are we measuring now? 2. Aleksandra Snowden – Exploring violence: The role of neighbourhoods, place and place characteristics 3. John Cunningham – The experience of prescription opioid use and misuse in a community sample	Session – Youth III 1. Liz Normand – Making youth alcohol and other drug problems in national and state policy 2. Tamar Antin – The ‘here and now’ of youth: An investigation of the meaning of nicotine and tobacco for counter-cultural youth 3. Marie Bærndt – Experiences of transgressive inquiries about sexuality and	Session – Public discourse 1. Benjamin Petrūzelka – Making drugs public: The vanity of scientists and the ignorance of the public? 2. Maurice Nagington – Queering chemsex 3. Jessie Daniels – White women, popular culture and narratives of addiction 4. Katarina Winter – Addiction experts in public arenas: From scientific knowledge to lived experience

* Please note that the draft program is subject to change. Only presenters are listed in this overview; full authorship details will be listed in the abstracts book.

	<p>3. Jaakko Kuorikoski – Putting the brain in its place: Arguments from ethics and the philosophy of science</p> <p>4. Michael Egerer – How can ethical concerns surrounding the BDMA be studied empirically?</p>	<p>4. Zsuzsa Kaló – Qualitative epidemiology: How to clarify misconceptions of the prevalence of new psychoactive substance use?</p>	<p>religion among partying young women with ethnic minority background in Denmark</p> <p>4. Adrian Barton – Managing alcohol use amongst young drinkers: Understanding the impact of cultural practices on drinking patterns and practices</p>	
12.30 – 1.30	Lunch			
1.30 – 3.00	<p>Session – Producing professionals</p> <p>1. Steve Durant – From opiophobia to over-prescribing: A critical scoping review of medical education training for chronic pain</p> <p>2. Chloe Knox – Mother versus child? Healthcare professionals’ perceptions of maternal-fetal conflict in antenatal substance use</p> <p>3. Niki Kiepek – Drug use among students in professional programs: Enhancing performance?</p>	<p>Session – Materialising drug effects</p> <p>1. Simone Dennis – Remaking smoking in and for the era of smokefree: Plain packaging as constitutive of practice</p> <p>2. Andrew Whalley – New syringes and a public health disaster: Traversing multiple enactments for greater effectiveness in public health practice</p> <p>3. Nicole Vitellone – Rachel’s story: The lure of the syringe</p>	<p>Session – Scientific knowing</p> <p>1. Rebecca Tiger – (Re)Imagining the brain on drugs</p> <p>2. Anne Whittaker – The odd couple or a marriage made in heaven? Critiquing ‘implementation science’ in recovery-oriented treatment</p> <p>3. Anthony Barnett – When the brain leaves the scanner and enters the clinic: A critical analysis of the way neuroscience produces ‘addiction’ in drug treatment</p>	<p>Session – Intervening</p> <p>1. Sandra Torossian – Workers’ education and drug prevention in childhood: South Brazilian experiences</p> <p>2. Sarah Morton – Relationship and risk: Practitioner skills and impact when delivering low threshold substance use interventions within community settings</p> <p>3. Eric Ratliff – Am I my lover’s keeper? Narrating ‘responsibility’ as a dialectic of autonomy and care in drug use and HIV prevention</p>
3.00 – 3.30	Afternoon tea/coffee			
3.30 – 5.00	<p>Session – Attending to pleasure</p> <p>1. Kane Race – Thinking with pleasure: Agency and experimentation</p> <p>2. Willy Pedersen – The pleasures of drunken one-night stands: Assemblage theory and narrative environments</p> <p>3. Marie Jauffret-Roustide – Disciplining pleasure through harm reduction policy: Confronting drug users’ personal experience of injection in context with professionals’ public health expectations</p>	<p>Session – Multiplicity and divergence</p> <p>1. Ramez Bathish – Therapeutic governance and the enactment of multiple subjectivities in contemporary Australian therapeutic communities</p> <p>2. Fiona Martin – Multiplicity and ambiguity in the framing of pregnant women’s substance use in Canadian drug treatment policy</p> <p>3. Alexander Björk – Treatment or care? Divergent enactments of interventions for alcohol and other drug problems in evidence-based practice and social service practice</p>	<p>Session – Drugs online</p> <p>1. Michael Savic – ‘Habits can change’: The politics of ‘habit’ in online alcohol counselling encounters</p> <p>2. Julie Tieberghien – #cannabis: A qualitative study of the framing of cannabis on Twitter</p> <p>3. Christine Griffin – ‘People look completely mortalled and hilarious’: Social media marketing and young people’s drinking cultures</p>	<p>Session – Making service access</p> <p>1. Sianne Hodge – Language in community-based alcohol and other drugs treatment settings: A matter of person-centredness, not political correctness</p> <p>2. Emma Atkin-Brenninkmeyer – Factors concerning access to a potential drug consumption room in Dublin, Ireland: A case study</p> <p>3. Elina Virokannas – Limited access to social and health care services from the standpoint of women drug users in Finland</p>
7.30	Conference dinner – Restaurant Loiste, Kaivokatu 3, Helsinki (https://www.raflaamo.fi/en/helsinki/restaurant-loiste)			

DAY 3: FRIDAY 25 AUGUST

10.00 – 10.30	Morning tea/coffee			
	ROOM: SIRKUS	ROOM: TIVOLI	ROOM: TARJA HALONEN	ROOM: KARL LINDAHL
10.30 – 12.00	Session – Embodiment 1. Fay Dennis – Bodily experiments: Making drug-using bodies matter 2. Allison Schossler – ‘They medicated me out’: Biomedicine, body alienation and agency in addiction treatment 3. Peta Malins – Becoming-animal, becoming-molecular, becoming-imperceptible: Drug detection dogs and the production of emergent realities	Session – En-carcerating drug use 1. Torsten Kolind – The enactments of drugs in Danish prison drug treatment: Illegal drugs, medicine and constrainers 2. Sheryl McCurdy – Writing home, establishing relevancy and managing identity: Tanzania drug couriers’ letters from Hong Kong’s prison 3. Shelley Walker – Connection to family while in prison for young men with injecting drug histories	Session – Alcohol agencies 1. Julia Robert – Meeting the sober self, recognising the drinking self: Back to baseline experimentation in temporary sobriety initiatives 2. Marieke Vlaemynck – Alcohol marketing: How to regulate? A comparative analysis 3. Robin Room – Conflicts between social roles in drinking expectations and behaviour as factors in interpersonal harms from drinking	
12.00 – 1.00	Lunch			
1.00 – 2.30	Session – Drugs and identities 1. Dean Murphy – Chemical practices: Experimenting with drugs, and the making of sexual and gender identities 2. Simon Howell – Both beyond and within: Gangs, drugs and identity 3. Jenni Savonen – The old school: Social identities of heavy drug users	Session – Legal actions 1. Kate Seear – The chronotope of the community: Producing Aboriginality, alcoholism and addiction in Australian criminal law 2. Asmin Fransiska – Drug threshold quantities in Indonesia law undermine decriminalisation policy 3. Eliana Sarmiento – Playing the numbers game: The constitution of ‘dependence’ through the use of sanctions and rewards in an Australian drug court	Session – Realising risk 1. Aleksandra Bartoszko – The lethal burden of survival: The making of subjects at risk and paradoxes of opioid substitution treatment in Norway 2. Jane Mounteney – Exploring high risk use of new psychoactive substances in Europe 3. Steve Koester – Controlling homelessness and producing risk	
2.30 – 2.45	Transition break			
2.45 – 3.45	ROOM: SIRKUS KEYNOTE 3 CAMERON DUFF Making drug realities: From analysis to praxis after the ontological turn <i>(Chair: TBA)</i>			
3.45 – 4.00	ROOM: SIRKUS Conference close Pekka Hakkarainen & David Moore
